

L'Université
de Montréal
et de votre
carrière.

Deeply rooted in Montreal and dedicated to its international mission, Université de Montréal is one of Canada's Top 100 Employers. Like the city whose name it bears, it is effervescent and multicultural.

UdeM attracts over \$500 million in research funding every year, making it one of the three university research hubs in Canada. It also ranks among the best universities worldwide and among the five best French language universities.

Through the achievements of the members of its community, UdeM participates in building today's and tomorrow's world.

Teaching Clinician Position in Internal Medicine – Equine hospital

Temporary full time

Position | 1 year

Veterinary Medical Center (CHUV)

Faculty of Veterinary Medicine | Direction

The *Faculté de médecine vétérinaire* (FMV) of the *Université de Montréal* is currently seeking qualified candidates for a clinician position in Equine Internal Medicine who will join a dynamic medicine team composed of 3 professors, 3 technicians, 4 residents and 2 interns. The successful candidate will work within a multidisciplinary team in the equine hospital (CHUV) including: anesthesiology, ophthalmology, medical imaging, surgery, theriogenology. The FMV is located in [Saint-Hyacinthe](#), the agricultural capital of Quebec. The FMV is located 60 km (37 miles) from [Montreal](#), a vibrant city with an international airport and excellent flight connections to Europe, the USA.

With 1900 horses admitted annually, our Equine Hospital is the most attended in Canada. It is equipped with the most modern facilities and equipment including 40 stalls, an intensive care unit, 3 surgical rooms and an imaging department with 1.5T MRI, fluoroscopy and a new CT scan. Its modern facilities and equipment account for the number as well as the diversity of cases treated referred by veterinarians from Quebec, Eastern Ontario and some US states. To find out everything about FMV and discover the excitement of its faculty life, visit [our website](#).

As a clinician, you will have the opportunity to contribute to the excellence of the Faculty of Veterinary Medicine :

Through your clinical teaching (for a maximum of 90% of your task) and through tasks relating to the influence of your discipline, research activities and the functioning of the institution (for a minimum of 10% of your task). As such, you will have to:

- > Participate in clinical teaching, among other things, by providing care and services that meet the different needs of the internal Medicine service at the equine hospital;
- > Supervise students in undergraduate residents, internships and students in graduate programs;
- > Evaluate student learning;
- > Provide educational advice and assistance to students;
- > Participate in evening and weekend on call.

To be successful in the role, you must have:

- > Hold a Doctor in Veterinary Medicine (DVM) degree or equivalent;
- > Have successfully completed a residency in Equine Internal Medicine and be a diplomate of the American College of Veterinary Internal Medicine (ACVIM) or be eligible to obtain it;

- > Demonstrate interest and aptitude for teaching and clinical activity
- > Obtain a license to practice veterinary medicine in the province of Quebec (Canada) issued by the Ordre des médecins vétérinaires du Québec;
- > An adequate knowledge of the French written and spoken language **or** a strong commitment to mastering the proficiency level required, in accordance to [Université de Montréal's Language Policy](#). An institutional learning support program is offered to all professors wishing to learn French or improve their communication skills.

How to submit your application

All candidates are invited to submit a letter outlining your interests and career objectives, a *curriculum vitae*, a copy of your diplomas, and three letters of recommendation from professors or supervisors to:

Dr Cécile Girardin Bonnefont
Director of Professional Services

DIVERSITY AND INCLUSION

Université de Montréal is strongly committed to fostering [diversity and inclusion](#). Through its *Equal Access Employment Program (EAEP)*, UdeM invites applications from women, Aboriginal people, visible and ethnic minorities, as well as persons with disabilities. During recruitment, our selection tools can be adapted in complete confidentiality according to the needs of people living with limitations who request them.

UdeM embraces a broad and inclusive definition of diversity that goes beyond applicable laws, and therefore encourages all qualified individuals to apply, regardless of their characteristics. However, in accordance with Canadian immigration requirements, priority will be given to Canadians and permanent residents.

In order to measure the scope of its actions in terms of EDI, UdeM collects data on applicants according to their identification with one of the groups covered by the law on equal access to employment, women, Aboriginal people, visible minorities, ethnic minorities and people with limitations. The information provided is confidential and will be shared only with those responsible for the PAÉE. If you wish, you can indicate your membership in a targeted group in your presentation letter, which the selection committee and the assembly of peers will be informed of when your file is evaluated.

Université de Montréal's application process allows all members of the Professor's Assembly to review the application files submitted. If you wish to keep your application confidential until the shortlist is established, please mention it in your application.
